- Apply for Federal financial aid, which includes a Pell Grant
- Are enrolled full time (part time in some circumstances).
- Complete the application and enrollment process into the WIA Youth Program.

What is ETV Probation?

ETV customers who do not meet the academic requirements or who do not turn in verification of progress are placed on ETV probation:

- The customer is given a semester to bring their term GPA up to 2.0 or to show increased progress percentage (if attending an applied technology college).
- The customer is given a time frame (negotiated with their DWS employment counselor) to turn in required documentation before ETV funds are no longer available.

What are the Funding Limits for ETV?

Fiscal funds for ETV are set to:

- \$3,000 without a waiver from DCFS.
